Safety Information

To assist us in providing better services to our valued patrons we would ask that you adhere to the following safety rules:

- Be careful when boarding and disembarking vessels especially in wet weather or when carrying heavy items
- If you require assistance when boarding or disembarking please ask our crew
- Please keep access clear for disembarking passengers while waiting to board.
- Please remain seated while vessel is underway and until properly secured to a wharf.
- Children must be supervised by a parent or guardian at all times.

In addition, **please inform crew when carrying dangerous goods** eg. fuel, gas, chlorine, or machinery containing fuel or gas i.e. mowers. Fuel must be carried in approved containers and all dangerous goods including those in machines must be carried on the foredeck.
